

nopCommerce Site

Feature #1 – Register

Functional Technical Specification Design

1 Introduction

1.1 Story

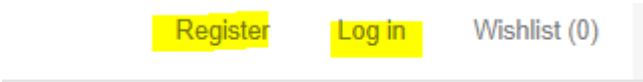

There should be a possibility to register to nopCommerce site.

<https://demo.nopcommerce.com/>

2 Solution Description

2.1 Functional

Main site page will show Register and Login options:

If user clicks "Log in" option, from the left there should be a Register option like this:

Welcome, Please Sign In!

New Customer

By creating an account on our website, you will be able to shop faster, be up to date on an order's status, and keep track of the orders you have previously made.

REGISTER

Returning Customer
