

**Title:**

Admissions Requirements screen does not show in Hebrew

**Severity (select one of the values)**

Normal

**Description**

Info about bug on the main screen when the page is on English language and I click on the Hebrew site link but the page still in English.

Steps to reproduce:

1. Open Admissions Requirements - Computer Science, B.Sc. on Hadassa site  
<https://www.hac.ac.il/en/schools/interdisciplinary-faculty-for-sciences-health-and-society/computer-science-bsc/admissions-and-registration/admission-requirements/#>
2. Click on Hebrew site.

**Expected:** Page is displayed in Hebrew

**Actual:** The site's page remains in the English language
